RE: CGB-CC-1309

The House of Destiny Ministries wish to file a new petition using the material you received on February 28, 2014.

The impact of closed captioning on our program activities would caused us to not be able to continue showing of the program. The cost of closed captioning would bring on an undo hardship and burden that we cannot afford. Our congregation is small and due to economic conditions and the economy resources are scares . Financial resources will not even allow us a financial audit, although we had submitted two years of bank statements that we were told to submit in lieu of accountant compilation.

Thank you,

Brenda Manley

Co-Pastor, Brenda Manley

Hi Brenda,

The \$235 would be for a completed DVD CC Master. It includes EVERYTHING except shipping and handling. For 52 shows, the price would be \$12,220 + shipping and handling.

Does that help? Please let me know if you need anything further.

Best and many thanks,

Constance

Does the 235 dollars for 30 minutes is on your part and we would have to finish with the cost of 175 dollars? I also need a total cost of one year for the services and it being broken down per 30 minutes.
What I need is cost per 30 minutes four times a month for one year. We need a bottem line for the entire year.
